Pursuant to the message that I received today, it is my understanding that the RCE that we hand carried to the PTO on September 26, 2003 is not with the subject application. Accordingly, we are transmitting herewith a copy of filing which includes a copy of the stamp-dated filing receipt evidencing its receipt in the PTO on September 26, 2003.

We are trying to get this paper matched with the file and processed as soon as possible. Any thing you can do to help us speed up this process or get the file to the location that is currently going to handle the RCE would be greatly appreciated.

If you need any additional information please do not hesitate to contact me.

Thank you,
Christina
